Dear Dr. Hamid Yaghoubi,

Sorry to bother you and hope this mail finds you well.

Int'l Conference on Automatic Control, Mechatronics and Industrial Engineering (ACMIE 2018) will be held from October 29-31, 2018 in Suzhou, China.

The conference proceedings will be published by CRC Press and will be submitted to Ei for indexing.

In recognition of your expertise, we sincerely invite you to be our Peer Paper Reviewer. If possible, please also recommend some scholars who have prominent achievements in this area as paper reviewers.

The reviewer can receive discounts on publishing paper or attending the conference. He / She can enjoy a 30% discount for reviewing two papers; for three papers, the discount will be 40%; the rest can be done in the same manner.

Thanks for sharing your time and looking forward to receiving your positive response.

For more information of the conference,
