Dear Hamid Yaghoubi,

The 2014 Istanbul Bridge Conference (<http://2014.istanbulbridgeconference.org>) was successfully held with more than 400 participants providing a remarkable scientific level. The bridge engineering industry has been presented by more than 50 national and international companies. The selected conference papers are published by Springer <http://www.springer.com/us/book/9783319197845>

Now, we are organizing the next Istanbul Bridge Conference which will be held in Istanbul, Turkey, in August 2016 (<http://2016.istanbulbridgeconference.org>) On behalf of the Organizing Committee, we are very glad to formally invite you to be a Member of the Scientific Committee. As well known expert in this field, we are sure your contribution will be very important to guarantee the success of the Conference.

We sincerely hope that you will honor us by accepting our invitation to be a member of the Scientific Committee. Should you have any question, do feel free to contact us.

Best regards,

Alp Caner
Middle East Technical University (Turkey)
Chair of the Organizing Committee
